I would like to propose a program for water rafting and caving program at gopeng, perak.

Below are the itinerary for the program:

0930hrs Pick up from Gopeng Town. Depart to Gua Tempurung. Journey will take around 15 minutes.

0945hrs Arrive at the starting point. Tempurung Cave exploration for two hours. Top of The World and short river adventure package.

1200hrs Depart to Ulu Geruntum for lunch.

1215hrs Arrive starting point and lunch is served. After lunch, put on white water rafting equipment, safety briefing will be given by RIVERBUG guide.

1315hrs White water rafting commences. Covering the distance of 7 km with 9 big rapids along the way. The journey takes around 1 1/2 - 2 hours.

1515hrs Freshen up. End of tour.

It would be nice if this program can commence around march or April 09. Minimum participants is 4 person.
