Hi there ZUKIE,

Nice to find you here. Well if you are asking about the membership status, for a life member you will always be there. Unless you are talking about updating you data then maybe the national office will look into it.

Besides that I heard they are upgrading with a better hard plastic membership card with only RM 10 for life member. Its good to replace that old easy-to-damage card previously.

Dear Mr Marzuki,

You are currently our life members since 19/12/1991. Please send us your current address and new IC No for our database update. Please call our national office for more details and updates at 03-2736870 or email us at myha@pd.jaring.my. Thank you and have a nice day.

Regards,
Admin MYHA
