
First time using YHA card in Europe

Posted by yiky - 2009/08/21 01:45

I'm going to Italy during mid-Sept and trying to book on YHA hostel through Hi Hostel network. But looking at my membership card which is issue by Malaysia YHA, there's only information logo on YHA. Just realize that MYHA had change to Hostelling International, but I got my membership card before that, hence there's no sign of Hi hostel information on my card now, just YHA. So, I'm wondering if I show the card to the hostel later in Italy, will they accept that? Thank you.

you can still use your membership card however if you want a new card then you need to change it at the national office at kg attap.
